Summary:

Mike and El are having their daily make out session in El's bedroom when they realise Hopper has fallen asleep, so they use this to take their relationship to the next level.

Don't Wake Hopper

Mike and El were making out on her bed.

Mike moved his hand through Els hair and felt her hand on his cheek

He could feel his hard dick in his boxers, desperate to escape from the fabric.

El felt Mike tuck her hair behind her ear before he started kissing down the side of her neck

"Oh!" She moaned softly as Mike sucked her neck, leaving a bright red hickey on her "Mike... Mike, Hop!"

Mike pulled back, "Sorry. I wish he'd just leave us alone."

"Me to."

They smiled before they continued making out. Mike rubbed his dick through his jeans.

"I need a drink." El said as she broke the kiss

"Ok."

Mike watched her get off the bed and leave the room

El looked over at Hopper, sleeping on his recliner and snoring. She smirked as she got an idea.

She went back into her bedroom and quietly shut the door

"Where's your drink? And open the door, Hoppers gonna kill us." Mike said

"Hes asleep."

"Ok.."

"So can we do that thing you told me about last week? The thing boyfriends and girlfriends do?"

Mike was confused for a moment until he realised what she mean and his eyes widened, "You mean sex?"

"Yeah, that." El said as she sat on the bed

"El, believe me, I would love to have sex with you. More than anything. But the thing about sex is... when we're doing it, we moan. Loud. So loud it might wake Hopper and he'll come in here and make sure I never have sex again."

"We'll be quiet. And it takes a lot to wake Hop up. Please, Mike." El said as she put her hand in his

Mike looked at their hands together, "Ok, but you have to promise me you'll be as quiet as you can be."

"Promise."

"Ok... let's do it." Mike said before he held onto his shirt

"What are you doing?"

"Taking my shirt off."

"Why?" El asked

"El... has Hopper had the talk with you?" Mike asked

"The what?"

"The talk. You know, told you about sex and stuff."

"No..."

"Look... to have sex, you have to be naked." Mike said

"Why?"

"Uh... sex is when a boyfriend and a girlfriend sort of rub each others private parts together. To feel good. And then they cum!"

"Come where?" She asked

"Not that come. They don't go anywhere. Cum... as in orgasm, you know?" Mike asked

"I think so."

"El, are you sure you wanna do this?"

"Yes. I wanna do this." El said "You just show and tell me what to do and I'll do it."

"Ok. Ok..." Mike said with a smirk "Well.... why don't you take your shirt off?"

El nodded before she started unbuttoning her flannel shirt and Mike watched her. She pulled her shirt off her body once it was unbuttoned and Mike looked at her body and her small boobs in her bra

"Holy...." he said, looking at her "You're so... so hot."

El smiled before Mike pulled his t shirt off, showing off his skinny and pale body to his girlfriend

"So are you." El said

Mike held onto her waist before he kissed her. He felt El's hand move onto his chest as they made out

"You wet down there?" Mike asked

"Where?"

"Your pussy." Mike said and she looked confused "Your vagina. People call it pussy. Sounds less clinical and more sexy, you know?"

"Oh... yeah, its a bit wet. Is it supposed to be?"

"Yeah, its good. It means you're horny- you want to have sex." Mike said

"Do boys get wet when they're horny?"

"No." Mike laughed "Boys dicks get hard. I mean their penis. People

say dick or cock normally."

"Is yours hard?" El asked

"Hard as a rock." Mike said with a smirk

"Can I see?"

"Yes!" Mike said quickly "Yeah, sure."

El watched as Mike unbuckled his belt. He pulled his jeans off his legs. He moved his hand down his boxers and pulled out his hard 6 inch dick

El looked down at Mikes dick

"It looks weird." She said and Mike laughed

"Its not meant to look sexy, its meant to get the job done."

"Where does it go?" She asked

"Uh... your pussy."

"Inside me? Won't that hurt?"

"Yeah, a bit. Not for long. A couple of minutes. It won't to painful and it'll be worth it for the pleasure afterwards." Mike said

"Do I have to take my bra off?"

"Um.... you- you don't have to. But I'd prefer it if you did. But you don't have to if you want to." Mike said

El nodded before she moved her hands behind her back and unclasped her bra and took it off.

Mike stared in awe at her naked chest.

"Wow..." he said as he held onto her tits "Youre so sexy, El."

"Should I take my pants off?" She asked and Mike nodded, which brought his attention back

El pulled off her jeans while Mike took his boxers off, leaving him naked

She pulled off her panties and they looked at each others naked bodies

"You wanna do some foreplay?" Mike asked

"Foreplay?"

"Its what people do before sex. They make the other person feel good." Mike said

"Ok. What do we do?"

"How about you suck my dick?"

"Will you tell me what to do?" El asked

"Yeah, sure."

Mike sat against the wall

"Sit between my legs." He told el and she sat between his legs

"Uh, now...move your lips around my dick." Mike said

El leaned down towards his dick and moved her lips around the head of his cock and she felt Mike's hand on the back of her head

"Now just move your head up and down." He said

El started moving her head up and down on Mikes cock, sucking his dick

"Yeah.... like that, that's good..." Mike moaned softly

El felt Mikes hand moving through her hair and his dick in her mouth.

"El, you're so good at this..." he moaned

Mike felt Els hair laying on his thighs as she sucked his dick. He moved his hand through his hair, pushing it out of his eyes

"You ok?" He asked quickly as El gagged

"Yeah." El said as she licked across Mikes cock

Mike ran his hand across her back as El kept sucking his dick.

"Ohh... God, El! Fuck....!" Mike moaned

He ran his hand across his smooth chest as he kept moaning. El felt precum oozing into her mouth from Mikes dick

"El... come here." Mike said and El pulled away from his dick

Mike pulled her into a kiss, moving his hand through her hair as they made out and he rubbed his wet cock.

"Lay down." He told her

El moved back and laid down on the bed, laying her head on her pillow.

Mike moved onto his knees, sucking two of his fingers

"Want me to finger you?" He asked

"What does that mean?"

Mike smirked, "I'll just show you."

He spread Els legs apart and ran his hand along her inner thigh before he rubbed his two wet fingers across her wet pussy.

El felt Mike rubbing the outside of her pussy, making her let out a soft moan.

Mike slowly and gently pushed one of his fingers into her, feeling the warmth and the wetness of her pussy around his finger.

"Ohh..." El moaned as shee felt Mikes finger slowly moving inside her

Mike pushed his finger deeper into her, feeling her insides spreading around his finger.

A gasp escaped from Els mouth as Mike pushed his other finger into her

"Mike...! Ohh..." she moaned as she gripped onto her bedsheets

Mike moved his fingers around in a circular motion, pushing deeper gradually

"That feel good?" He asked El

"Yeah...! Mike..." El moaned

Mike moved his fingers faster, rubbing against her clit.
He held onto her waist with his free hand.

"Oh.my god, Mike! It feels so good..!" El moaned, looking up at him

Mike watched her moaning as he explored her insides with his fingers. All he wanted right now was to replace his fingers with his cock and fuck her.

He pulled his fingers out of her, much to El's disappointment

"Whyd you stop?" She asked

"You wanna do it now?"

"Sex? Yeah, ok." El said

Mike smiled before he grabbed his jeans off the floor and pulled out a condom from the pocket

"Whats that?" El asked

"A condom. I put it over my dick when we have sex. So I won't get you pregnant. Lucas gave it to me just in case we did it." Mike said

"Lucas has sex? With Max?"

"Yeah. Those two are doing it constantly." Mike said as he ripped the condom packet and sat between El's spread legs

He pulled the condom from the packet and pulled it over his member

"Is it really gonna hurt?" El asked

"A bit. Not for long. If you want me to stop, just say and I will." Mike told her and El nodded

He held onto El's waist and his dick. He placed his tip against her entrance and gently entered her

El gasped as Mike moved further into her. They were both quiet as he gently kept moving deeper

"You ok?" Mike asked with every inch of his cock inside her

"Yeah..."

Mike slowly moved back, making El let out a moan. He moved back until only his head was still inside her and he moved forward again. He kept going, doing the same action. Back and forth... in and out... gradually moving faster as El loosened

"Mike...! Ohh God!" El moaned

"That feel good?" Mike asked as he kept going

"Yeah... so good!"

Mike held onto her waist with both hands as he moved faster into her

"Fuck, El... you're so wet!" He moaned

El laid her arms next to her head.

Mike moved deeper into, grinding against her clit

"Fuck, Mike! Dont stop...!" She moaned

Mike held onto her tits as he kept going. They both moaned as they took each other's virginities

"You love getting fucked by that big dick, don't you?" Mike moaned

"Yeah... fuck me! Youre so big!"

The bed rocked back and forth as the teen couple made love for the first time.

Mike flicked his sweaty hair out of his eyes as he moved harder into El.

He felt her wrap his legs around his waist.

They looked at each other before Mike leaned forward and kissed her.

They moaned into each others mouths as they roughly made out. El ran her hand through Mikes sweaty hair and across his back

"Ohh Mike! Fuck me... yes!" El moaned as Mike kissed across her neck

"El, shh... Hop will hear..." Mike said

"Sorry..." El moaned softly as Mike kissed along her chest

El felt Mikes lips move around her nipple and felt him gently sucking her nipple

"Mike...ohh..." she moaned softly, moving her hand through his hair

Mike held onto her boobs as he sucked and licked around her nipple

"I love your body so much..." he moaned as he leaned back

He grinded deeper into El

"Ohh fuck! Mike!" She moaned loudly and Mike quickly covered her mouth with his hand

Mike felt his cock get wetter inside her. He looked down and saw a clear thick liquid oozing out of her and he smirked as he realised he'd made her cum

"What was that?" El asked

"You just came. Its good, don't worry..." Mike said as he kept fucking her

Mike kept feeling his climax coming, but kept edging himself. He didn't want this to end, God knows when they'd be able to do it again.

"Mike... you close?" She asked

"Yeah... nearly..." Mike moaned

He kept going into her, feeling his orgasm coming. He pulled out of her, quickly pulled his condom off before releasing thick strings of cum over her stomach.

"Ohh... oh fuck!" Mike moaned as he came

He rubbed his cock as he finished

"Is that your cum?" El asked, looking down at the lines of white thick liquid on her stomach

"Yeah..." Mike panted before they heard Hopper getting up of his recliner "Shit..."

"Under the bed. Quickly." El whispered

Mike quickly kicked his clothes under the bed and hid while El quickly pulled a t shirt and shorts on

"I said 3 inches!" Hopper yelled before he barged in and saw El standing by her dresser

"Whoa! I was just getting changed." El said

"Sorry.... uh, Where's Mike?"

"He went home ages ago." El told him

"Oh... OK. Well... go to bed. Goodnight."

"Night.: el said before Hopper left and shut the door

Mike peaked from under the bed

"That was close." He whispered as he stood up

"You need to go."

"I know." Mike said as he put his boxers on

El opened her window

"Come see you tomorrow." Mike said before they kissed

"Can we do it again if we can?" El asked

"Ywah, course." Mike said before he climbed through the window and into the dark forest

El gave him the rest of his clothes and they smiled at each other. She watched Mike walk towards his bike before she closed the window

El turned round and picked up the used condom and wrapper from her bed and threw them in the trash before she sat down
